

Isaiah 45:22 Turn to me and be saved, all you ends of the earth; for I am God, and there is no other.

Turn to me! Look to me! This implies that Israel and I were looking elsewhere. In the midst of our busy lives, do not forget our #1 priority, God. Don't make anything more important than Him.

We must have a focus and that can't be anything short of the creator, the lover of our souls. What exactly are we saved from? We are saved from ourselves, our sins and transgressions. We are saved from looking for love in all the wrong places; we are saved from never being satisfied and ultimate destruction. Charles Spurgeon came to Christ with this verse:

"For I am God and there is no other. Only He is God. Institutions, pastors, evangelists, other people, riches, possessions, personalities, presidents, kings, popes and the governments are not!

I love the quote "Don't tell God how big your storm is; tell the story of how big your God is."
