

Isaiah 50:4a The Sovereign Lord has given me an instructed tongue, to know the word that sustains the weary.

Israel had a hearing and listening problem. So do we sometimes. Do you think the world listens? What would be your answer to the following question? How do we hear God's voice in a world so full of noise? God state in Psalm 81:13 "Oh! That my people would listen to me."

So, the big question is how does God speak to us? 1) God speaks through godly friends 2) He will whisper through our hearts 3) He will answer prayer that is petitioning His presence 4) Be intentional in listening for His answer 5) Train yourself to hear God's voice.

Cancel out the noise that comes from the devil who is lying to us. God's words are illuminating and enduring.

Listen to the words of the song "Morning by Morning" by Patrick Barrett.

"So I will trust you morning by morning
I will trust you where you lead
I will trust where I can't see
Great is your faithfulness to me.
Oh my Father has spoken and
He keeps every word
All fear be reminded
My future is secure.
Great is they faithfulness
Morning by morning, new mercies I see"

Let's finish with two Bible verses:

"Do not merely listen to the words and so deceive yourself. Do what it says".

"My son, pay attention to what I say. Turn your ears to my words. Do not let them out of your sight. Keep them within your heart."
